PUCK PALS

Puck Pals are locally owned businesses, organizations and individuals who make a difference in the lives of area children, families and adults serviced by the United Way of Greater Portland partner agencies. Each Puck Pals Sponsor purchases tickets to Pirates regular season home games. The Portland Pirates Foundation then distributes the tickets through the United Way to local area children, families and adults who would otherwise be unable to experience a Pirates' game at the Civic Center.

In cooperation with the United Way of Greater Portland and their family of local partner agencies, this program continues to touch the lives of thousands in the greater Portland community. Over the past six seasons 25 different area businesses and friends have provided over 29,000 tickets to the community through Puck Pals sponsorships.
