

UNUM'S
FIFTH ANNUAL
MAINE EDUCATORS' HALL
OF FAME - STARTING 6

2009-10 NOMINATION FORM

In partnership with the **Maine Coalition for Excellence in Education**, Unum's goal is to recognize, honor and celebrate the exceptional work of Maine educators. In our effort to do so, we've created a simple nomination process. We all know that *special Educator* who makes a difference in the lives of students in our public school system and who represents *excellence in the educational profession*. These are the individuals we want to recognize. To that end, we ask that you nominate that educator who embodies the *true meaning of "being an educator"*.
